Dear Sirs,

I do not appear to have received a reply to my letter of the 9th March last recommending certain deck stiffening to be fitted in your Steamers "ARGOLIB" and "GERONTAS".

In view of the approaching winter season, the Committee are now calling for a review of those cases in which compliance with their recommendations has not yet been arranged, and I shall be glad to learn what early arrangements you are making in the matter.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
