Dear Sirs,

I return the deferred reports, as under, on the Steamer "SHEAF MEAD".

You will observe that a partial First Entry report (Rpt.1) has now been prepared by the London Surveyors but that particulars of the equipment are still required.

Should the anchors and cables not be re-tested at this time I shall be glad if you will endeavour to fill in the necessary particulars from any certificate which may be available.

Yours faithfully,

Clerk to the

The Surveyors,

NEWCASTLE-ON-TYNE.

Reports herewith:- Bel.14615; Lon.115429 (F.E., 8, 9, Rpt.4, Rpt.5c)
