Dear Sirs,

S.S. "SHEAF MEAD".

8th We thank you for your letter of the  
23rd April reminding us that the Load Line and Boiler  
Surveys become due in June next.

The vessel has been chartered to load  
in Australia for U.K. and we expect her in this country  
in August next, when we intend to carry out the above  
surveys and deal with the remaining requirements of  
the Special Survey for Classification.

Yours faithfully,

For W. A. SOUTER & CO. LTD.
