11th October, 1916.

Dear Sirs,

M.

With reference to your First Entry Report No. 4829 on the S.S. "MUDELA No. 2" I have to request that you will state clearly whether the ceiling has been fitted in the hold as stated on the report, also whether a hand pump has been fitted in the fore peak and whether the stiffeners to the bulkheads on frames 44 and 65 are bulb angle as required.

I have also to inform you that in future cases the plan should be amended to agree with the ship as built and with the First Entry Report.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

BILBAO.
