Dear Sirs,

With reference to my letter of the 16th December, respecting the Steamer "ARION", I shall be obliged if you will kindly let me know at an early date, for the information of the Committee, what arrangements have been made for the carrying out of the overdue Special and Screwshaft Surveys.

At the same time I shall also be obliged to learn whether you can furnish me with any further information regarding the repairs to the main engine hotwell tank.

Yours faithfully,
