Classn. (H)

Dear Sirs,

With reference to my letter of the 26th July last respecting the Steamer "ARION", I shall be obliged if you will kindly let me know, for the information of the Committee, if you are now able to furnish me with your proposals with regard to the carrying out of the Special and Screwshaft Surveys.

I take this opportunity to remind you that the vessel's class is subject to the repairs to the main engine hotwell tank being re-examined and dealt with as necessary by the end of the present month, and I shall also be glad to learn your intentions with regard to this matter.

Yours faithfully,

Clerk to the
Classification Committee.
