-----

It is submitted that a fee might be charged  
for the present survey in accordance with Circular No. 1765.

The fee for classification to be left over until  
the survey is completed.

  
20. 5. 40.

*Discussed with Mr. Butler by telephone.  
Agreed that in principle in view of  
large number of visits, the fact that  
the greater part of the Classification  
Survey has been held & the uncertainty  
as to when this Survey may be  
completed, only the fee for Classification  
may now be charged*
