AIR MAIL  
Enclosure

30th September, 1953.

Dear Sir,

Classen(3)

RJS

I enclose herewith copy of a letter dated 18th instant received from the National Trawling & Fishing Co. Ltd., of Cape Town from which you will observe that they are now proposing to withdraw from class five of their trawlers as from the 1st November next.

I shall be glad to learn whether these proposed withdrawals have come to your knowledge, and if so to receive any comments you may have to make thereon.

I do not propose to acknowledge the Owners' letter but I shall be glad if you will do so on the Committee's behalf if you find their decision unalterable. In that event, of course, the cases will be submitted to the Committee early in November with a view to the classes being withdrawn and (...) inserted in lieu.

I would add that the "BLONVLEI" was given as under survey at Cape Town on the 11th instant for docking and tailshaft, and the reports in this connection are awaited.

Yours faithfully,

Clerk to the  
Classification Committee

P. F. Balfour, Esq.,  
DURBAN.
