

3/5 "Waynslaw" and Mr. N. Rennie

one could doubt the accuracy
Mr. Rennie's statements, in his
letter of Sept. 23rd, ~~was~~ his personal
views on this situation.

he should advise the Owners
that we are satisfied that no
quest for survey ever reached Mr.
Rennie. This seems to be another
case in which word-of-mouth requests
we failed to reach their destination. ~~off~~
Rennie's letter is inconclusive &
unsatisfactory.
