Dear Sirs,

Motor Tanker "RUSA"

In confirmation of my cablegram to you today I wish to inform you that the Committee gave very careful consideration to this case before arriving at the decision to withdraw class on account of reported defects.

They are naturally anxious that the Owners shall not think their action has been actuated by any other spirit than the impartial application of the Society's Rules, and desire the Owners to be informed in the terms of the enclosed letter.

It is left to your discretion as to whether this actual letter should be transmitted to the Owners or whether you consider it preferable to write on the same lines over your signature.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
SINGAPORE.
