## QUESTION.

With reference to the entry in your Rtn.4 for the quarter ending June last, I shall be glad to learn how this case now stands as regards the reclassification, as the vessel's name since has appeared in subsequent Rtns 4 and 5B as being under survey for "refrigerating machinery" only. I may add that it is observed from the Shipping Papers that she left Osaka at the end of October last for the Antarctic.

*L.H.*
