Classn(S)

Dear Sir,

I duly received your letter of the 20th instant from which it is noted that, in the course of a general examination of the steamer "ELNA II" at Baltimore, the Owners decided to transfer the class to Bureau Veritas and to withdraw her from classification with this Society.

The Classing Committee today decided to await the Baltimore Surveyors' report of her present condition as this would of course affect their method of dealing with the class.

Yours faithfully,

Clerk to the
Classification Committee

The Secretary,
NEW YORK.
