7th April, 1955.

Dear Sir,

M/T " BARBARA " (20405 R.I.)

In reply to your letter of the 2nd April I have to inform you that the Classification Committee of Registro Italiano has had your request before it, but, in view of the fact that the Special Survey only becomes due in December next it is considered that your request for postponement of the Special Survey is premature.

A request for a postponement of this Survey could however be submitted at a date nearer the due date of Survey.

I would also inform you that in accordance with our regulations postponement of Special Surveys are only decided upon after a General Examination of the Ship and Machinery including drydocking after which our Society may grant a postponement not exceeding six months, in this case until June 1956.

Yours faithfully,

Sgd.) Dott. Ing. G. Soldà.
