

29th December 1905.

Sir,

With reference to our letter of the 8th instant respecting the completion of S.S. "Admiral", we have to state that 45 fathoms of 1/2" tawline will be put on board the vessel at Glasgow to complete the equipment, in lieu of one 60 fathom length of 5 rope as present on board.

We shall be glad if you will give instructions for this matter to be attended to and report to London in due course.

We are, Sir,

Your Obedient Servants,

The Surveyors.

Wm A. Allen

The Secretary,

Glasgow
