Dear Sirs,

With reference to the case of Lifting Craft "L.C. 28", built by the Tees Side Bridge & Engineering Works, I have to acquaint you that an account in respect of the supervision of the requirements of the specification in this case has today been rendered to the Admiralty.

The sum of £10 due in respect of the installation of the Electrical Equipment will be credited to your account on payment.

Yours faithfully,

The Surveyors,  
SUNDERLAND.

Secretary.
