Vessel's Name: Tankers "CARLOTA", "CHEPITA", "CONCHITA" & "ICOTEA".

We have to confirm our cablegram of today's date regarding three of the above mentioned vessels, reading as follows:-

TANKERS CARLOTA CHEPITA CONCHITA PURCHASED BY ISLAND TUG AND BARGE LIMITED VICTORIA PLEASE CABLE DETAILS OUTSTANDING CLASSIFICATION REQUIREMENTS

These four vessels are due to arrive in Victoria at an early date and the new Owners propose to place one of the vessels in service again and possibly a second one and it is hoped these will be maintained in class.

The Tanker "ICOTEA" is to be converted to a Log carrying Barge and possibly one or two of the others may also be similarly converted.

Copies of the approved plans of "ICOTEA" have been requested from the Principal Surveyor, Montreal and it is hoped that these may be airmailed as soon as possible.

The undersigned will be in touch with Mr. H.B.Elworthy, resident of Island Tug & Barge Limited later this week with regard to the Classification of these vessels.
