S.S. "CHEPITA" & "CONCHITA"

The attached cable has been received from the Curacao Surveyor.

In the Secretary's letter of 7.12.53 to the previous Owners of these vessels approval was given for the Boiler Surveys being postponed for six months from their due dates. Such periods for these two vessels have now expired.

IT IS SUBMITTED the Curacao Surveyor be informed that the Boiler Surveys should be held before the vessels proceed to sea.
