BILBAO.

ISLA DE COLUMBRITES I shall be glad to receive a reply to my classing letter of the 28th June last.

CILURNUM 10515 Information was received in March last that the Owners proposed at that time to carry out the Boiler Survey and Annual Freeboard Survey, and that other surveys would be carried out in June. As the Special Survey became due in 1.49. and the Screwshaft Survey so long ago as 10.45, I shall be glad to learn what arrangements the Owners propose to make to carry out these inspections.

A report on this Survey was received at Blythwood Sq 2 is now attached hereto
