ENCLOSURE

S

14th September, 1942.

Dear Sirs,

With reference to your First Entry Report No.100676 (which is returned herewith) on the machinery for the steamer "EMPIRE THACKERAY", it is observed that a date is given for the fitting of sea connections and pumping arrangements, but you have omitted to fill in the front page of the report in regard to the pumps and pumping arrangements.

There is also no reference to these matters having been attended to by the Sunderland Surveyors, and I shall therefore be glad if you will arrange for the completion of your report which should be returned to me in due course.

I am, Dear Sirs,
Yours faithfully,

pro Secretary."

The Surveyors,
NEWCASTLE-on-TYNE.
