21st April, 1933.

Dear Sir,

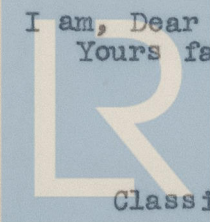

S. I beg to refer you to my letter of the 7th ultimo respecting the case of the steam trawler "CIERTO", to which up to the present I have not been favoured with a reply as to what definite arrangements you propose to make to complete the overdue Second Special Survey No.1.

In view of this, the Committee have again had the case under consideration to-day, and in the absence of any reply I am directed to inform you that it has been decided to recommend for the consideration of the General Committee at their next meeting that the vessel's class should now be expunged from the Register Book with a red line, indicating non-compliance with the Society's Rules.

Should you have any further proposition to make with regard thereto, you should therefore favour me with a reply as to any steps you propose to take in the matter, by return mail.

Don Ramon Canosa,

I am, Dear Sir,
Yours faithfully,

 Lloyd's Register
Clerk to the
Classification Committee.
