Dear Sir,

With reference to your letter dated 7th March, addressed to the Owner of the steam trawlers "Cierto" and "Canosa," and your later letter of the 31st March, I have to state that the first letter was sent to the Acting Owner, Don Ramon Canosa, as directed.

On the 23rd and 24th March I examined the bottom &c. of the "Canosa" in dry dock, and the stern bush was at that time re-wooded. I pressed the Owner to complete the Special Survey No. I and he agreed to do so and promised to let me know when he was prepared, but I have received no further word from him and I understand the vessel has gone to sea.

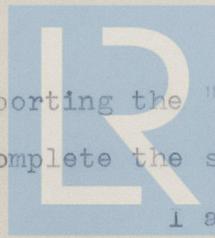

He also promised to write to me about the "Cierto" which is at present at sea, but I have so far heard nothing, although I told him that unless the surveys now due were carried out at once, he would in all probability lose the class.

I have delayed reporting the "Canosa" in the hope that I would be able to complete the survey but I shall now prepare the report.

I am, Dear Sir,
Yours faithfully,

R. Langlands
