QUESTION.

ANSWER.

With reference to your letter of the 25th December last I shall be glad to learn whether you are yet in receipt of any information regarding the carrying out of the overdue surveys.

C. J. S.

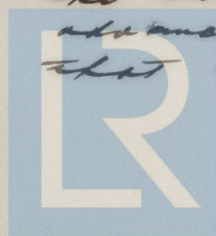

Date:— 24th February, 1933.

The Acting Owner of these vessels is very difficult to deal with. He has promised to do everything and has done no more than the L.M.C. (agent) of the Canosa.

I think a letter should be written to him, telling him that the Committee insists upon the surveys being completed before a certain date.

The letter could be addressed to this office and be handed by me to the Owner.

The s/s Emmerindo Juncos will occupy the dry dock until the 4th March, but the survey could be advanced ahead of that date.
