Dear Sirs,

Tug "SUNNYSIDE"

We thank you for your letter of the 22nd March advising us of the survey position of the above vessel recently purchased by us from Messrs. Joseph Carney & Sons Ltd., of Sunderland.

We are pleased to advise you that it has been decided to convert this vessel from steam to diesel. This work has been entrusted to Messrs. Greenwich Marine Ltd., 12 The Esplanade, Rochester Kent. The tug will be completely modernised and will be fitted with a new 300 H.P. Petters engine.

The plan of the work to be done has been drawn and we are arranging for the Yard to send you a print. Messrs. Greenwich Marine are in touch with your surveyor as we require the tug to be classed.

Yours faithfully,
for FENCHURCH SHIPPING COMPANY LTD.
