February 18, 1949.

Dear Sirs,

S.S. "SUNNYSIDE"

I acknowledge receipt of your letter of February 17, regarding this ship, and confirm that the examination of bottom and rudder, tailshaft and sea cocks, carried out at Sunderland in June 1948, can be credited towards the special survey.

The remaining hull and machinery requirements should be dealt with next months.

Yours faithfully,

ASSISTANT SECRETARY

the Surveyors,  
SUNDERLAND.
