Dear Sirs,

Motorship "CIUDAD DE BARQUISIMETO"

With reference to New York Report No. 54336, it is concluded the tanks not examined at this time have been used exclusively for the carriage of oil fuel, but I shall be glad if you will kindly let me have the Surveyors' confirmation on this point.

Confirmation is also desired that item 34 on Rpt. 9 has been dealt with as required by the Rules in view of the fact that this is not included in the list of outstanding Continuous Survey items.

At the same time will you please let me know what arrangements the Owners propose making to deal with the outstanding Continuous Survey items.

Yours faithfully,

Deputy Clerk to the  
Classification Committee

The Secretary,  
NEW YORK.
