Dear Sirs,

S.S. "BALTONIA".

I was duly favoured with your letter of the 13th ultimo enclosing plan of bilge and ballast piping arrangement in respect of the above vessel, and in reply have to inform you that this plan has been examined and the arrangements as shown thereon are such as could be accepted provided the ballast pump direct bilge suction be led to the starboard side of the engine room.

Yours faithfully,

(Signed) R.P.L. ROBERTS.
