Dear Sirs,

Steamer "JUPITER"

With reference to my letter of the 10th instant it is noted that this vessel has since reached Santander.

She left Barcelona before the Surveyors there received our cablegram and consequently she was not seen by the Surveyors at that port.

You doubtless appreciate that the Committee expect the overdue Special Survey of all outstanding items definitely to receive attention before the ship leaves Santander, so the case should be closely watched with a view to this office being informed should these contemplated arrangements not be fulfilled.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
BILBAO.
