Dear Sirs,

Steamer "JUPITER"

The case of the above-named ship has received the consideration of the Committee today in connection with the statement of your memorandum of the 29th April that the vessel is now discharging at Barcelona and that she will thence proceed to Santander. As the year of grace for the overdue Special Survey expired last month, the Committee do not consider the vessel should leave Barcelona as a classed ship unless she is inspected there by one of the Society's Surveyors and found or placed in a satisfactory condition for the proposed voyage.

It is concluded the ship will reach Santander before the end of the present month.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
BILBAO.
