Vessel's Name: S.S. "JUPITER"

5884
14.63

QUESTION

ANSWER

With reference to previous correspondence, I shall be glad to learn if you are in a position to let me know what arrangements have been made for the Special Survey to be held next month.

You will note that the Steam Pipe, and Main Boiler Surveys become due at the end of this month and next month respectively, and it is concluded that these inspections will be held at the same time as the Special Survey.
