Main Boiler Survey due 3.62.

Outstanding items (if partly held)..... Hull subject:- See endorsement 1.9.61.

Postponements already agreed On 13th March the Bilbao Surveyors were advised that provided a General Examination in drydock was held in April the Committee would be prepared to consider postponement of the Special Survey for a period to be determined by the condition of the ship as found and reported upon at the General Examination.

New proposal..... The Bilbao Surveyors now cable that the Owners desire to carry out a General Examination afloat at Cadiz this week in order to make one voyage to the U.S.A. and return for Special Survey. The Boiler Survey will be held concurrently with the General Examination. The ship is 62 years old.
