13th March, 1962.

R.

Dear Sirs,

S.S. "JUPITER"

In reply to your memorandum of the 3rd March I have to say that provided a General Examination be held in drydock in April next the Committee will be prepared to consider the postponement of the Special Survey but, in view of the age of the ship, the period of postponement granted will be determined by the condition as found and reported upon at the General Examination.

I note that the Main Boiler Survey will be held at the same time as the General Examination and this is in order.

In the event of the General Examination not being held as now proposed you should advise this Office immediately.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
BILBAO.

c.c. Madrid.
