This is to Certify that I have

Surveyed the Boiler and Machinery of the S.S. "JUPITER", 4868 Gross Tons, of Bilbao, whilst afloat and in Dry Dock in Sevilla on 19th June 1962 and subsequently for Completion of Main Boiler Survey and General Examination to defer Special Survey until April 1963

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction,

and that I have **Recommended** that the record of MBS. 4-62 as previously recommended now

be made in the Register Book in the case of this vessel.

Signed: S. Bailey.

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed it is understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or Application of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or Surveyors, or other Officers or Agents of the Society."

This Certificate has been issued in the Spanish language on the reverse side of the original.
