LLOYD'S REGISTER OF SHIPPING,

PARIS,

28th August, 1948.

Dear Sir,

With reference to your letter of the 18th instant respecting the Tankers "ESSO BRETAGNE" and "ZANGUEZOUR", I beg to inform you that these two ships will complete their classification survey at the Chantiers de la Loire, St. Nazaire.

I have therefore forwarded to Mr. Brunelliere, the Non-Exclusive Surveyor at Nantes, copies of correspondence relative to these vessels together with the First Entry reports on Machinery relative to the "ESSO BRETAGNE".

The date on which the ships will arrive at St. Nazaire is not yet known exactly, but it is expected this will be towards the 15th October in the case of the "ZANGUEZOUR" and the 20th October in the case of the "ESSO BRETAGNE".

Further communication regarding these dates will be addressed to you either from Mr. Brunelliere or from this Office.

I am, Dear Sir.

Yours faithfully,
