Lloyd's Register of Shipping,

71. Fenchurch Street, E.C. 3.

5th January, 1928.

Dear Sir,

E. I have to acquaint you that a report has been received from the Society's Surveyor at Colombo of an examination of a boiler made by Messrs. Cochran & Co., and fitted in the oil barge "MAHAWOLI", No. 02543 in the Register Book.

No particulars are given to enable this boiler to be traced and I shall therefore be obliged if you will kindly ascertain from Messrs. Cochran & Co., if possible, the number of the boiler and furnish me with the number of the Glasgow Report for the boiler, if constructed under inspection.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
