Colombo, 6th April, 1927.

Dear Sir,

With further reference to your letter of the 30th ultimo, we are now able to advise you that the Cochran Boiler, which is fitted on board our oil barge "Mahaweli" is an old one, which was removed to our Kolonnawa Installation from an old barge. This boiler was surveyed in 1916 and is stamped No.13542 WHC 12/9/26.

With reference to the last paragraph of your letter, we have to inform you that it is not our intention to fit propelling machinery in this vessel, in the immediate future.

We trust that this information meets your requirements.

Yours faithfully,

THE ASIATIC PETROLEUM CO. (CEYLON) LTD.
