The Secretary,
LONDON.

Dear Sir,

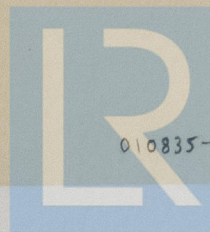

The Owners of the "INGRID THORDÉN" have raised a question regarding the amended freeboards which were assigned in 1936 following the conversion of the vessel to the shelter deck type having a tonnage opening aft. There is no copy of the Computation of Freeboards in this Office, but by comparison with the freeboards assigned to the vessel before conversion it would seem that ^athe Summer Freeboard somewhat less than 446 mm. could have been assigned and I shall be glad, therefore, if you will let me have, for the information of the Owners, any remarks you have to make on this point.

Yours faithfully,

For THE SURVEYORS, Gothenburg.
