I have compared the arrangements on board the ship with those given in the original freeboard report and I have found them to be in agreement therewith or equivalent thereto, and the whole to be in efficient condition.

The vessel has now been submitted to her 2nd Special Survey No.2 and the notation of S.S. Got.No.2-40 has been recommended.

Repairs effected:-

55 wood covers renewed, 4 tarpaulins renewed, 6 cleats renewed, rest angles for wood covers faired in place and No.2 hatchway end coaming faired. Ladders for access to crew's quarter placed in order.

The freeboard marking has been verified and found to agree with the freeboards given on certificate No. \_\_\_\_\_ dated \_\_\_\_\_ which is returned herewith.
