Enclosures.

18th October, 1932.

Dear Sir,

With reference to the case of the steamer  
"INGRID THORDEN", I now enclose herewith Freeboard Verification  
Form, and have to report as follows:-

- (1) Efficient canvas covers have been provided for closing the ventilators and air pipes.
- (2) Openings in bridge after bulkhead have been fitted with Class II closing appliances, viz:- shifting boards full height in riveted channels.

A copy of the provisional Freeboard Certificate which has been handed to the Captain, is enclosed herewith for your information.

Yours faithfully,

V.C. Bulow, Esq., K.V.O., R.D.,  
GOTHENBURG.
