

EEBOARD REPORT on the

S/S Ingrid Thorsten

Convention ordinary & timber deck cargo freeboards  
 have been computed on the basis of the information  
 supplied on form C11, & on the assumption that  
 the openings in the after end of the bridge are  
 closed by appliances not less efficient than class 2,  
 & it is submitted the form be sent together with  
 the freeboard certificate & copies to Mr. Bulow,  
by air mail.
