Lloyd's Register of Shipping.

Port GOTHENBURG.

18th October, 1940.

This is to Certify *that I have*

Surveyed the Boiler and Machinery of the Steel Single Screw Steamer "INGRID THORDÉN", 1869 tons gross, of Helsingfors,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report stating that all recommendations made by me in connection therewith have been carried out to my satisfaction, and that I have

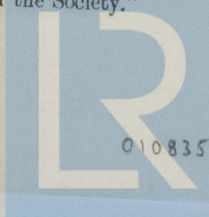

Recommended *that the record of* +LMC 10,40 and notation of Tail Shaft seen 9,40.

be made in the Register Book in the case of this vessel.

Sten Olsson In self
and E. Thunberg
Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances ever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Surveyors or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
