21st May, 1928.

Dear Sir,

S. With reference to Glasgow Report No. 47772 on the engines, etc., made by Messrs. Harland & Wolff, Ltd., at Glasgow, for the new steamer "HOOIBERG", recently completed at Belfast, I have to acquaint you that I have received a telegram from the Belfast Surveyors stating that the first entry fees have been paid.

In the circumstances I shall be glad to learn whether the portion of the machinery fee due to the Glasgow Office, namely £22.12.0. has yet been received, and if not you will be good enough to approach the Engine Makers with a view to the account being settled in time for particulars of classification to appear in the forthcoming reprint of the Register Book.

As the portion of the new Book in which the records of this vessel appear will be due for press on Thursday next, the 24th instant, I shall be glad to hear from you in regard to the matter in course of post.

I am, Dear Sir,
Yours faithfully.

The Secretary,
GLASGOW.
