

GLASGOW REPORT No 50330

GLASGOW,

9th April, 1930

G. NICOL and G.O. COMMON

8

Messrs. The Fairfield Shipbuilding & Engineering Company  
Limited, survey during construction the Hull, Boilers and  
Machinery of the Twin Screw Steamer "PRINCESS JOAN", Yard  
No. 659.

The vessel and her machinery have been  
constructed in accordance with the approved plans and  
the workmanship and materials are satisfactory.

Surveyors to Lloyd's Register.
