Ans.

Dear Sir,

In our Report 3 "List of Vessels under Survey" for the week ending 6th March, the s.s. "FOULI" is included as having commenced survey.

In fact, only a preliminary visit was made on 5th March. The vessel has since changed hands and is now classed with Bureau Veritas and as we are unable to issue any reports or certificates it would be appreciated if the entry in respect of this ship could be deleted from your records.

Yours faithfully,

The Surveyors,

per:

The Secretary,
London.
