Enclosure

10th May, 1955.

Dear Mr. Edwards,

I thought before submitting the case of the "BIDDY" to the Committee we ought to have your remarks on the enclosed letter.

I think when I was at Hull last you mentioned to me that she was falling out of class, but I am sure you will agree we should have some note from you to refute the allegations now made.

With kindest regards,  
Yours sincerely,

A.W.B. Edwards, Esq.,  
HULL.
