Dear Sir,

M.

I duly received your letter of the 28th ultimo together with the freeboard verification of marking form for the S.S. "ROBERT DOLLAR", and the contents have been noted.

I shall, however, be glad if you will state if the condition of assignment has been complied with, viz., that no sidelights or other openings are cut in the vessel's sides to affect the position of the loadline disc. This information should always be given on the verification of marking form.

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

The Secretary,

NEW YORK.
