The Special Survey No.1 became due on this vessel
in June last and a proposal to carry out the inspection within
the year of grace has been agreed to.

In reply to enquiry the Dundee Surveyors forward
a letter they have received from the Owners to the effect
that it has been decided not to continue the classification
of this vessel with the Society.

The year of grace expires at the end of next month.

The Classing Committee had the case before them on
Tuesday, 1st instant, when they decided to give instructions
for the vessel's character to be withdrawn from the Register
Book and three dots (...) inserted in lieu thereof, indicating
