18th July, 1963.

Dear Sirs,

## CLASSING LETTER

C.  
DNS/DET

"LENNOS". I acknowledge the receipt of your letter dated the 13th July, the contents of which have been noted, and have to inform you that a fresh notation of T.S. 5,62 has now been assigned.

10261 "NEWLANE". As recommended.

It is concluded that in addition to the items enumerated in your Report to complete the Special Survey, the examination of the plating etc. in way of shell openings is still outstanding, but your confirmation is desired.

"MOBIL RADIANT". I shall be glad to receive a reply to my Classing Letter dated the 18th June last.

10303 "PATRAI". As recommended, postponement of the completion of the Special Survey until the end of August next having been approved, and I shall be glad if you will inform the Owners accordingly.

10270 "ANNA MARIA". As recommended.

I shall be glad to learn what arrangements the Owners propose to make to supply a bower anchor.

The Owners should be informed that the Continuous Survey of the machinery is behindhand and they should be requested to arrange
