February 22, 1949.

Dear Sir,

S.M. "BARILOCHE" and S.S. "GASESTADO"

With reference to your letter of February 14, regarding these ships
I enclose letters addressed to the owners, which please forward.

With regard to the T.S.S. "ANGLO NO.1" the annual classification
survey is reckoned from the recorded date of the last special survey but
it will be in order if the examination of steering arrangements, hatchways,
ventilators, machinery casings etc., is carried out in conjunction with
the boiler survey in May 1949.

With reference to the final paragraph of your letter, it is regretted
that the 1947/48 Register Book is out of print.

*Bariloché - Class Withdrawn
by LR Committee*

Yours faithfully,

A.M. Dick Esq.,
BUENOS AIRES.
