QUESTION

ANSWER

With reference to the Screwshaft Survey which becomes due at the end of April, I shall be glad to learn what arrangements are proposed to be made for this inspection to be held.

I take this opportunity to remind you that the Main Boiler Survey will become due at the end of May.

**Date:—** 25th February, 1964.

The Owners state this vessel is now laid up at this port and that no arrangements have yet been made for the Screwshaft Survey and Main Boiler Survey to be held as the vessel is being offered for sale as she lay.
