

"WILLIAM KIHLE", "ARNFINN BERGAN" "KDS 29"

Freeboards were assigned to these vessels by the British Corporation, but they have no valid Load Line Certificates. These vessels are Whalers and under the Norwegian Law Load Line Certificates are not required.

No reports of Load Line Renewal Surveys have been received, and it is therefore submitted that particulars of freeboard and draught be expunged from the Society's Register Book.

SIR

10th February, 1950.
